NOTIFICATION OF OTHER THAN SMALL ENTITY STATUS

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

The assignee of the present patent does not qualify for small entity status. It is to be noted that the missing part and extension of time fees paid for the subject application were paid based on a small entity status of the Assignee. In accordance with 37 CFR §1.28(c), Applicants submit that by good faith error, the Patent Application Transmittal in the present application inadvertently indicated a claim to small entity status, and the accompanying filing fees were paid on the basis that a small entity status existed. In accordance with 37 CFR §1.28(c)(1)-(2), Applicants have recalculated the fees for a non-small entity set forth below, in accordance with the fee schedule effective October 2, 2008. Applicants submit herewith a check in the amount of \$140.00 to cover the total deficiency payment owed. Any claim of small entity status in this Patent Application Transmittal is hereby withdrawn.
